

# FireSmart in Action Signs

Below is the template for the FireSmart signs. The size is 36" W x 24" H. Add project-specific content into the five areas outlined in red below. Do not adjust or re-design this sign template. Once the project-specific name and logos are added to this template, save the PDF file with a unique name. Email this completed PDF to the sign vendor chosen to print the sign.

## FireSmart Project Name

Click on these fields to enter the FireSmart Project's name. Start with the top line. Use the second line if necessary.

## FireSmart Project Partner Logos

Click on these fields to include FireSmart project partner logos. Start with the left box. Use the right boxes if necessary. JPG or PNG files work best.
